Special Committees

Vacancy Notice

The District is currently accepting applications from citizens interested in serving one of the five special committees, also known as ad hoc committees, listed below.

Each special committee is a three to five-member body that provides recommendations to the Board of Trustees during a regular meeting. Special committees will dissolve once said tasks or projects are complete. The Board President can create special committees anytime at his or her discretion if there are specific tasks or projects.

Special committees do not make decisions for the Board or the District. It is only an advisory committee.

Special committees are important to the District. Citizens, staff, and trustees are afforded the opportunity to come together to develop plans for our library.

Special Committees:

1. *Executive Committee*—Analyzes current library goals, strategic plan and policy. Provides recommendation to the Board. Dissolves after recommendation.
2. *Finance Committee*—Reviews financial health of the library. Provides recommendation to the Board. Dissolves after recommendation.
3. *Library Programs and Services Committee*—Evaluates current library programs and services. Collaborate on new library programs and services. Provides recommendation to the Board. Dissolves after recommendation.
4. *Facility Committee*—Inspects the library's physical conditions and equipment. Provides recommendation to the Board. Dissolves after recommendation.
